August 18, Primary Election Canvassing Board Meetings and Logic and Accuracy Testing Schedule

Lee County, FL (July 23, 2020) In Florida, an elections Canvassing Board is responsible for overseeing all public pretesting of a sample of the tabulation equipment used in an election, (also known as Logic and Accuracy Testing), examining ballots or groups of ballots, determining voter intent (when required by law), compiling election returns, conducting recounts (when required by law), determining the official results of an election, certifying an election, and conducting post-election manual audits in order to check voting system performance.

The first canvass of the vote-by-mail ballots received to date for the Primary Election is 9:00 a.m., Monday, July 27, 2020, at the Lee County Election Office, in the Melvin Morgan Constitutional Complex, 2480 Thompson Street, Fort Myers.

The Logic and Accuracy Testing by a random method of selection, a percentage of the voting machines used in the election at Early Voting and at the precincts on Election Day will begin at 9:00

a.m., Wednesday, July 29, 2020, at the Lee County Elections Center, 13180 S Cleveland Avenue, Fort Myers.

The testing of the vote-by-mail tabulating equipment used in the election will immediately follow at the Lee County Elections Office.

Canvassing Board meetings and the Logic and Accuracy Testing are open to the public. If you would like to become better acquainted with the voting machines used at early voting sites and the precincts on Election Day, ballot tabulating equipment, and canvassing board meeting protocols, your presence is welcome.
