Lee Elections Begins Mailing Domestic Vote-by-Mail Ballots for General Election, September 29

Lee County, FL (September 25, 2020) The Lee County Supervisor of Elections will mail out a record breaking 215,020 in the first drop of domestic Vote-by-Mail ballots, Tuesday, September 29, 2020, for the General Election.

We encourage everyone to request a vote-by-mail ballot for the November 3, General election. It is the safest and most convenient way of voting. For voters who decide to vote in-person, consider the vote-by-mail ballot as a back-up plan that provides them with a guaranteed method to cast their vote. In the event, an emergency arises, and they are not able to vote in person during the Early Voting period, or at the polls on Election Day, they still have the option to use their vote-by-mail ballot to cast their vote.

To request a ballot, voters may call 239-533-8683 or visit lee.vote. The deadline to request a vote-by-mail ballot is 5 p.m. Saturday, October 24, 2020.

Florida law mandates voted ballots must be physically returned to the Lee County Supervisor of Elections Office by 7 p.m. Election Day, November 3, 2020. The United States Postal Service recommends that voters mail their voted ballots one week before the due date to account for any unforeseen events such as weather issues and to allow for timely receipt and processing by the elections office.

Voters may drop-off their voted ballots at secure drop boxes located at all four Lee Elections office locations Monday through Friday, 8:30 a.m. to 5:00 p.m. and until 7:00 p.m. November 3, Election Day.
