**FOR IMMEDIATE RELEASE:
EARLY VOTING EXTENDED THROUGH ELECTION DAY IN LEE COUNTY**

Lee County, FL (October 17, 2022) Due to the impact of Hurricane Ian, numerous Election Day polling sites were left non-operational in several counties, including Lee County.

As a result, Governor DeSantis issued Emergency Executive Order 22-234, granting approval for Supervisors of Elections in affected counties to extend Early Voting through Election Day.

For the November 8 General Election in Lee County, the 12 available voting sites open during Early Voting will also be open on Election Day, replacing traditional Election Day precinct voting. Voting sites will be open to ALL registered voters during this voting period, regardless of their assigned precinct. Voters can choose to cast their vote from ANY of the 12 available voting sites during Early Voting or on Election Day.

Supervisor of Elections Tommy Doyle says, "Governor DeSantis' Executive Order makes it possible for our office to move forward with our plans to make voting as accessible as possible for the voters of Lee County in the wake of a natural disaster. Voters can be confident they can cast their vote safely and securely."

Early Voting Hours:

Monday, October 24 – Monday, November 7
9:00 AM to 6:00 PM daily.

Election Day Voting Hours:

Tuesday, November 8
