A special service charge will be imposed pursuant to section 119.07(4)(d), Florida Statutes, if the nature or volume of the requested public records requires extensive use of information technology resources and/or extensive clerical or supervisory assistance by agency personnel and also includes the safeguarding of agency personnel records. This charge will be separate and in addition to actual duplication and material costs.

The Supervisor of Elections will provide a requestor with a written fee-estimate and requires an advance payment of 75% (seventy-five percent) of the estimated fee prior to undertaking producing the requested records. If the requesting party subsequently advises that they will not need the records, the Supervisor of Elections reserves the right to bill for the difference between the deposit and the actual cost of copying public records. The requesting party will not receive a refund for the initial deposit.
